

WE COULDN'T DO IT WITHOUT OUR MANY SUPPORTERS!

It would not be possible for Chobham Carnival Association to stage this event without huge support from businesses and organisations in the area. We receive financial donations to help cover our costs, items for the May Ball auction and raffle and loads of free practical help and advice. And, of course, the many people who take part in the entertainment and come to the carnival events make a huge contribution. Without this support we would not be able to raise thousands of pounds each year to donate to good causes and community organisations.

GRATEFUL THANKSTO

SUPPORTING THE COMMUNITY

The aim of Chobham Carnival Association is to enable community and charitable organisations to raise money on the day of the carnival and to raise money through the carnival ball and the carnival fete to distribute to good causes in the area.

After expenses and running costs are deducted from the proceeds, we aim to have around £5,000 to distribute to organisations that apply for a grant.

The carnival is traditionally held each year on the May Day Bank Holiday Monday. To keep up to date with our activities, visit...
