| 37 1st West Byfleet Guides games        |   |

## LITTLE ARTISTS AT WORK

Each year, the carnival association runs a competition to find a colourful illustration on the procession theme for the front of our fete programme. This year, the theme is characters from the world of children's books.

The winner was Darcy G, aged 10, a pupil at St Lawrence CofE Primary School, who receives a £25 prize plus £25 for the school.

The runner-up picture, shown here, was created by six-year-old Raphaella B, from Coworth Flexlands School.

# YOUR GUIDE TO THE SHOWGROUND

**TOILETS** are also available in the Parish Pavilion Tea Room, in the Village Hall opposite the main entrance and in the Village Car Park.

**LOST CHILDREN** should be escorted to the HQ Tent, where **LOST PROPERTY** should also be taken.

## Alan was one of our top supporters

The carnival lost a stalwart supporter with the unexpected death of local entrepreneur Alan Greenwood.

Alan, died in January while on holiday in Tenerife with his partner Carol Long. He was best-known locally as the owner of the Mimbridge Garden Estate on the Chobham-Horsell border, where his funeral business, Alan Greenwood and Sons, is based and where he kept his collection of vintage fire engines.

Alan regularly gave financial support to the carnival. He brought his engines to the fete for arena displays and they often brought up the tail in the procession.

He will be sorely missed by the carnival and many local people.

# WE COULDN'T DO IT WITHOUT OUR WONDERFUL SUPPORTERS!

It would not be possible for Chobham Carnival Association to stage this event without huge support from businesses and organisations in the area. We receive financial donations to help cover our costs, items for the May Ball auctions and raffle and loads of free practical help and advice. And, of course, the many people who take part in the entertainment and come to the carnival events make a huge contribution. Without this support we would not be able to raise thousands of pounds each year to donate to good causes.

## MANY THANKS TO:

## SUPPORTING THE COMMUNITY

The aim of Chobham Carnival Association is to enable community and charitable organisations to raise money on the day of the carnival and to raise money through the carnival ball and the carnival fete to distribute to good causes in the area.

After expenses and running costs are deducted from the proceeds, we aim to have around £5,000 to distribute to organisations that apply for a grant.

The carnival is traditionally held each year on the May Day Bank Holiday Monday. To keep up to date with our activities, visit...
